

CURRICULUM VITAE

Chelsea Richard, PhD, MSPH

formerly Chelsea Lynes

Last updated: March 25, 2026

chelsealynesrichard@gmail.com | (774) 571 – 8653 | ChelseaRichard.com

EDUCATION

- 2021 PhD, Epidemiology
University of South Carolina, Columbia, SC
Dissertation title: “Intersection of maternal disability status, prescription opioid use before and during pregnancy, and adverse birth outcomes”
- 2015 MSPH, Epidemiology
University of South Carolina, Columbia, SC
Thesis title: “Interpregnancy weight change and adverse maternal outcomes”
- 2012 BS, Biology, *Magna cum Laude*
University of Massachusetts Boston, Boston, MA
- 2008 – 2010 Boston University, Boston, MA

PROFESSIONAL EXPERIENCE

- 2025 – Present Central Carolina Community Foundation, Columbia, SC
Vice President of Operations
- 2019 – 2025 South Carolina First Steps and the South Carolina Early Childhood
Advisory Council, Columbia, SC
2025 – 2025: Chief of Strategy and Research
2024 – 2025: Chief of Staff
2021 – 2024: Director of Research and Strategy
2019 – 2021: Strategic Impact Manager
- 2015 – 2019 South Carolina Department of Health and Environmental Control,
Columbia, SC
2015 – 2019: Behavioral Risk Factor Surveillance System Coordinator
2016 – 2019: Children’s Health Assessment Survey Coordinator
2016 – 2019: Pregnancy Risk Assessment Monitoring System Analyst

2012 – 2013 Data Coordinator and Manager
Brigham and Women’s Hospital, Boston, MA

ADJUNCT FACULTY EXPERIENCE

2022 – Present University of South Carolina, Columbia, SC
Department of Health Services Policy and Management
Norman J. Arnold School of Public Health
2023 – Pres.: Affiliate Faculty
2022 – 2023: Adjunct Instructor

2024 – 2025 University of North Carolina Charlotte, Charlotte, NC
Department of Health Management and Policy
Department of Epidemiology and Community Health
College of Health and Human Services
Adjunct Faculty

CERTIFICATIONS

2023 Certified Public Manager
South Carolina Department of Administration

2018 Preparing Future Faculty Certificate
Center for Teaching Excellence, University of South Carolina

PEER-REVIEWED JOURNAL ARTICLES

1. Jones C, Branch J, Roach K, Jones A, **Richard C.** Rethinking Eligibility: A Mixed-Methods Evaluation of Presumptive Eligibility for Child Care Subsidies and Its Impact on Family Wellbeing and Stability. Submitted to the Journal of Child and Family Studies.
2. Fan X, D'Amico LK, Kilburn J, Jones A, **Richard C,** et al. (2024). Factors Associated with Kindergarten Readiness in Early Literacy Skills, Mathematical Knowledge, and Social Foundations: An HLM Approach. Early Childhood Educ J.
3. Jones A, Fan X, D’Amico LK., Kilburn J, **Richard C.** (2024). Impacts of a Summer Transition Program on Kindergarten Readiness for Children from Disadvantaged Backgrounds. Journal of Research in Childhood Education, 1–17.

4. Fan X, D'Amico LK, Kilburn J, Jones A, **Richard C**, Garrett S, Leverage L. Kindergarten readiness: Associations with a summer transition program and teacher/school level factors. *Educ Res Eval*. 2024 June: 1-23.
5. D'Amico LK, Fan X, Kilburn J, Jones A, **Richard C**, Garrett S, Leverage L. Supporting children and families with opportunity gaps: educators' perspectives of a summer kindergarten transition program. *Educ Res Eval*. 2024 May: 1–21.
6. Fan X, D'Amico LK, Kilburn J, Jones A, **Richard C**, Zollars L, Garrett S, Johnston D. Perspectives of parents and caregivers on kindergarten readiness: A focus on the impact of a summer transition program. *IJEC*. 2023 Nov: 1-29.
7. Boswell EK, **Richard C**, Crouch E, Jones A, Dugger R, Cordan K. Home Visiting Program Participation and Healthcare Utilization amongst Children Enrolled in South Carolina Medicaid. *J Health Visit*. 2023 Nov;11(10):422-433.
8. Srivastav A, **Richard C**, Stafford McRell A, Kaufman M. Safe and Supportive Neighborhoods Protect Children from the Health Effects of ACEs. *Journ Child Adol Trauma*. 2022 Jul;15:977–986.
9. **Richard CL**, Love BL, Boghossian N, Hardin J, McDermott S. Are pregnant women with disability prescribed opioids more and at higher dosages than those without disability?: a retrospective cohort study of South Carolina Medicaid beneficiaries. *Disabil Health J*. 2022 Jun;15(2S):101288.
10. Elmore AL, Omofuma OO, Sevoyan M, **Richard CL**, Liu J. Prescription opioid use among women of reproductive age in the United States: NHANES, 2003-2018. *Prev Med*. 2021 Dec;153.
11. Srivastav A, **Richard CL**, Stafford McRell A, Stropolis M. The Unintended Consequence of Novel Coronavirus (COVID-19) Pandemic on Racial Inequities Associated with Adverse Childhood Experiences (ACEs): Findings from a population-based study. *Front in Public Health*. 2021 Oct;9.
12. Strange C, **Richard CL**, Shan S, Phillips BA, Kanotra S, Drummond MB, Megenhardt L, Lal C, Pleasants RA. A Population-based Estimate of the Healthcare Burden of Obstructive Sleep Apnea using a STOP-BAG Questionnaire in South Carolina. *J Clin Sleep Med*. 2021 Mar 1;17(3):367-374.

13. Srivastav A, **Richard CL**, Kipp C, Strompolis M, White K. Racial/ethnic disparities in health care access are associated with adverse childhood experiences. *J Racial Ethn Health Disparities*. 2020 Dec;7(6):1225-1233.
14. Srivastav A, Strompolis M, Kipp C, **Richard CL**, Thrasher JF. Moderating the effects of adverse childhood experiences to address inequities in tobacco-related risk behaviors. *Health Promot Pract*. 2020 Jan;21(1_suppl):139S-147S.
15. Pleasants RA, Heidari K, Ohar J, Donohue JF, Lugogo N, **Richard CL**, Kanotra S, Kraft M, Liao W, Mannino D, Strange C. Use of a cross-sectional survey in the adult population to characterize persons at high-risk for chronic obstructive pulmonary disease. *Healthcare (Basel)*. 2019 Jan 18;7(1).
16. AlHasan D, Breneman C, **Lynes C**, Callahan-Myrick K. Factors that influence parental misperception of their child's actual weight status in South Carolina. *Matern Child Health J*. 2018 Jul;22(7):1077-1084. Epub 2018 Feb 22.
17. Davis HT, **Lynes C**, Corley HR. South Carolina Environmental Public Health Tracking program's role in monitoring and reducing occupational exposure to lead: public health actions in collaboration with the South Carolina Occupational Safety and Health Administration. *J Public Health Manag Pract*. 2017 Sep/Oct;23 Suppl 5 Supplement, Environmental Public Health Tracking:S53-S59.
18. **Lynes C**, Mclain A, Yeung EH, Albert P, Liu J, Boghossian NS. Interpregnancy weight change and adverse maternal outcomes: a retrospective cohort study. *Ann Epidemiol*. 2017 Oct;27(10):632-637.e5. Epub 2017 Sep 21.
19. **Lynes C**, Phillips J, Keane C, Sloan D, Berger AM. An Evaluation of a Bereavement Program in a US Research Hospital. *Am J Hosp Palliat Care*. Mar 2016; 33(2): 150-153.

HONORS AND AWARDS

2026	Top 100 Women SCBIZ
2021	Best & Brightest 35 and Under Columbia Business Monthly
2021	Winner, Graduate Student Poster Award Discover UofSC

2021	Winner, Maternal and Child Health Abstract Contest Discover UofSC
2017 – 2021	Presidential Fellowship The Graduate School, University of South Carolina \$47,000 in tuition over four years and professional development
2017 – 2019	Full Travel Award to Annual Meeting Council of State and Territorial Epidemiologists
2019	Travel Award to American Public Health Association Annual Meeting The Graduate School, University of South Carolina
2018	Inducted as an Associate Member American College of Epidemiology
2016	Winner, Best Clinical Science Poster Carolina Women’s Health Research Forum
2015	Inducted as a Graduating Student Mu Chapter of Delta Omega Honor Society Arnold School of Public Health, University of South Carolina
2014	Winona B. Vernberg Fellowship Arnold School of Public Health, University of South Carolina \$2,000 in tuition for one year
2014	Intramural Research Training Award (Summer Internship Program) Clinical Center, National Institutes of Health
2012	<i>Magna cum Laude</i> University of Massachusetts Boston
2011 – 2012	Dean’s List (Spring/Fall 2011; Spring 2012) University of Massachusetts Boston
2008	Merit Scholarship Boston University \$40,000 in tuition over four years

TEACHING EXPERIENCE

Key: *Online section; †Traditional and Executive track cohorts

University of North Carolina at Charlotte

Graduate Level

Adjunct Instructor

Health Care Program Evaluation, Outcome and Quality* (Spring 2025)

Decision Analysis* (Fall 2024; Fall 2025)

University of South Carolina

Graduate Level

Adjunct Instructor

Quantitative Methods for Health Administration (Spring 2022; Spring 2023[†];
Spring 2024; Spring 2025[†])

Teaching Assistant

Quantitative Methods for Public Health Practice* (Fall 2019; Fall 2020)

Intermediate Epidemiologic Methods (Spring 2018; Spring 2019)

Introduction to Epidemiology* (Summer 2015)

Undergraduate Level

Teaching Assistant

Public Health Capstone Seminar (Spring 2020)

Principles of Epidemiology (Fall 2017; Fall 2018; Spring 2021)

Microbiology Lab (Spring/Fall 2014; Spring/Summer 2015)

Adjunct Instructor

Microbiology Lab (Fall 2015; Fall 2016)

Bacteriology Lab (Fall 2015)

GRANT FUNDING

Note: does not include funding received via subgrantee or subcontractor agreements

Grant to Central Carolina Community Foundation

Project title: Artificial Intelligence Opportunity Accelerator - South Carolina cohort

Source: Google.org

Period: April 1, 2025 - March 31, 2026

Role: Internal implementation team lead

Total award: \$100,000

Grants to South Carolina First Steps/Early Childhood Advisory Council

Project title: First Five for All: Replication of a Public Benefits Enrollment Platform in States Outside of South Carolina

Source: The David and Lucile Packard Foundation

Period: March 1, 2024 - February 28, 2027

Role: Lead evaluator (5% in-kind)

Total award: \$450,000

Project title: Strategic Data Fellow to support data use in South Carolina

Source: Bill and Melinda Gates Foundation

Period: July 19, 2023 - August 31, 2026

Role: Project manager and fellow supervisor (5%)

Total award: \$269,452

Project title: Supporting States/Localities to Build Comprehensive Early Childhood System Portals

Source: The Pritzker Children's Initiative

Period: December 1, 2022 - November 30, 2024

Role: Lead evaluator (5% in-kind)

Total award: \$198,304

Project title: Connected Families

Sources: The Duke Endowment and the Doris Duke Foundation

Period: July 1, 2021 - June 30, 2024

Role: Lead evaluator (5%)

Total awards: \$3,800,000 (Duke Endowment: \$2,300,000; Doris Duke: \$1,500,000)

Project title: Your Voice Matters

Source: Listen4Good

Period: October 1, 2020 - June 30, 2022

Role: Project manager (5% in-kind)

Total award: \$15,000

Grant Received as Doctoral Student at the University of South Carolina

Project title: Effect of Maternal Disability Status and Prescription Opioid Use Before and During Pregnancy on Small-for-Gestational Age Infants

Source: University of South Carolina SPARC Graduate Research Grant

Period: May 1, 2020 – July 31, 2021

Role: Principal investigator

Total award: \$4,594

ORAL PRESENTATIONS

Key: Presenter; *Mentored student or graduate assistant*

1. **Richard C** and Mjartan G. (March 2026) AI for Funders: Accelerating Impact. Workshop at Together SC Nonprofit Summit, Greenville, SC.
2. King L., Jeter S., Bush R., **Richard C.** (March 2026) AI for Nonprofits: Real Tools, Real Results, Right Now. Panel presentation at Together SC Nonprofit Summit, Greenville, SC.
3. Jones A and **Richard C.** (March 2026) Stronger Together: Using Community Voice to Build Sustainable Programs and Trust in Your Organization. Workshop at Together SC Nonprofit Summit, Greenville, SC.
4. Rosemond C., Tuck M., **Richard C.** (May 2025) Ensuring the Privacy of Early Childhood Data - Challenges, Opportunities, and a Case Study. Oral presentation at Strategic Data Project Convening, Cambridge, MA.
5. Tuck M and **Richard C.** (February 2025) Embedding Program Sustainability in South Carolina's ECIDS Data Governance Framework. Oral presentation at SLDS Best Practices Conference, Washington DC.
6. **Richard C.**, Jones A., Branch J. (October 2024) Introducing the Carolina Collaborative for Early Childhood Innovation: Funding a Listening and Evaluation Process to Close the Gap Between Program Designers and Users from Beginning to End. Birds of a Feather presentation at Evaluation 2024, Portland, OR.
7. **Richard CL.**, Moore B., Taylor T. (May 2024) Family-Centered Information Portals: Aligning Public Systems to Increase Access to Services. Panel presentation at Research and Evaluation Conference on Self-Sufficiency, Washington DC.
8. D'Amico LK., Fan X., Kilburn J, Jones A, **Richard C.**, Garrett S, Leverage L. (October 2023). Using Participatory Evaluation to Understand the Implementation and Impact of a Statewide Kindergarten Transition Program. Oral presentation at Evaluation 2023 in Indianapolis, IN.
9. Jones A., **Richard C.** (October 2023). Rewriting the Narrative - Sharing Stories Behind the Statistics. Oral presentation at Evaluation 2023 in Indianapolis, IN.
10. King M., **Richard CL.**, Vidal A. (August 2023). Integrating Early Childhood Data in South Carolina: A Journey in Data Governance. Oral presentation at 2023 NCES STATS-DC Data Conference, Washington, DC.

11. **Richard CL**. (May 2023) American Community Survey (ACS) Data: Driving Needs Assessments, Strategic Planning, and Funding Allocations for Early Childhood Programs in South Carolina. Oral presentation at the ACS Data Users Virtual Conference.
12. Boswell E and **Richard CL**. (April 2023) Reach and Impact of Evidence-Based Home Visiting Programs Implemented by South Carolina First Steps' Local Partnerships, July 2017-June 2021. Oral Presentation at USC College of Nursing Annual Research and Scholarship Day, Columbia, SC.
13. Jones AC and **Richard CL**. (April 2023) More Than Numbers: Bringing Data to Life Through Stories. Eastern Evaluation Research Society 2023 Annual Meeting, Virtual.
14. Fan X, D'Amico LK, Kilburn J, Jones A, **Richard C**, Garrett S, Leverage L. (April 2023) Supporting At-Promise Children for Kindergarten Readiness: Impact of a Summer Transition Program. Roundtable presentation at the American Educational Research Association 2023 Annual Meeting, Chicago, IL.
15. Jones AC and **Richard CL**. (February 2023) Using family voice to improve practice – lessons learned from implementing rapid-cycle, high-quality feedback loops in a statewide network of home visiting providers. Oral presentation at the Nurturing Developing Minds 2023 Annual Conference, Greenville, SC.
16. Srivastav A, **Richard C**, Stafford McRell A, Kaufman M. (Nov 2022) Safe and Supportive Neighborhoods Protect Children from the Health Effects of ACEs. Oral presentation at the American Public Health Association Annual Meeting, Boston, MA.
17. **Richard CL**, Shapiro C, Manseth K, Perry M. (Nov 2022) Parents as Teachers home visiting program associated with increased well-child visit uptake in South Carolina. Oral presentation at the American Public Health Association Annual Meeting, Boston, MA.
18. **Richard CL** and McDermott S. (June 2021) Do Women with Disability Have a Higher Risk of Adverse Birth Outcomes Than Their Counterparts without Disability?: A Retrospective Study of South Carolina Medicaid Beneficiaries. Breakout session presentation at the Council of State and Territorial Epidemiologists Annual Virtual Meeting.
19. Avalos C, **Richard CL**, Srivastav A, Davis HT, Stropolis M. (November 2019) Expanded adverse childhood experience (ACEs) questions in SC: food insecurity, homelessness, and lack of basic needs' impact on quality of life. Oral presentation at the American Public Health Association Annual Meeting, Philadelphia, PA.

20. Lal C, **Richard CL**, Shan S, Strange C, Philips B, Kanotra S, Drummond B, Pleasants R. (October 2019) Targeting obstructive sleep apnea using state-based surveillance. Oral presentation at CHEST Annual Meeting, New Orleans, LA.
21. Chiodini S, **Richard CL**, Davis HT, Hurley D. (June 2019) Surveillance of HPV-associated oropharyngeal cancers in South Carolina. Oral presentation at the North American Association of Central Cancer Registries Annual Conference, Vancouver, BC, Canada.
22. Davis HT and **Richard CL**. (June 2019) Perceived treatment when accessing health care based on race and having a routine health check-up within the past year: A 2016-2017 South Carolina Behavioral Risk Factor Surveillance System Analysis. Lightning session at the Council of State and Territorial Epidemiologists Annual Conference, Raleigh, NC.
23. Leedom VO, Provenzano B, Simpson KW, **Richard CL**. (March 2019) Talk the Talk and Drive the Drive: Creating an MCH workforce that helps women thrive. Workshop presentation at Association of Maternal and Child Health Programs, San Antonio, TX.
24. Karim S, Zhang Z, Lohman M, **Richard CL**, Liu J. (February 2019) Does prenatal physical activity modify the association between stress during pregnancy and postpartum depression?. Oral presentation at SC DHEC/USC Health Data Symposium, Columbia, SC.
25. Simpson KW, Davis HT, **Richard CL**. (October 2018) Gift card incentive/reward influence on response rate for South Carolina PRAMS. Oral Presentation at Southern Association of Public Opinion Research Annual Conference, Raleigh, NC.
26. AlHasan DM, **Richard CL**, Leedom VO, Simpson KW, Davis HT. (September 2018) Maternal healthcare needs identified in South Carolina: A Qualitative Analysis of the 2015 Pregnancy Risk Assessment Monitoring System. Oral presentation at CityMatCH conference, Portland, OR.
27. **Richard CL**, Sulkowski B, Davis HT. (April 2018) Subjective cognitive decline in South Carolina's adults: is it associated with rurality?. Oral presentation at 2018 BRFSS Training Workshop, Atlanta, GA.
28. French M, Jackson TL, **Richard CL**, Shean J. (April 2018) Catalyst for action: BRFSS Cognitive Module. Oral presentation at 2018 BRFSS Training Workshop, Atlanta, GA.

29. **Lynes C** and Davis HT. (November 2017) Categorizing adverse childhood experiences and associations with depression in South Carolina: a 2015 BRFSS analysis. Oral presentation at American Public Health Association Annual Meeting, Atlanta, GA.
30. **Clugstone S, Lynes C, Hurley D, Nitcheva D, Johnson K, Davis HT.** (June 2017) Screening recommendation and breast cancer incidence in South Carolina: A BRFSS and cancer registry analysis. Oral presentation at the North American Association of Central Center Registries Annual Conference, Albuquerque, NM.
31. **Lynes C, Heidari K, Ochonma C, Smith M, Davis HT.** (October 2016) Children with special healthcare needs: current state of affairs in South Carolina using the Children's Health Assessment Survey. Oral session presented at American Public Health Association Annual Meeting, Denver, CO.
32. **Lynes C, Heidari K, Hill R, Diedhiou A, Johnson K, Davis HT.** (October 2016) Race/ethnicity and compliance to diabetes self-management in South Carolina: a 2011-2014 BRFSS analysis. Oral session presented at American Public Health Association Annual Meeting, Denver, CO.
33. **Lynes C, Heidari K, Davis HT.** (May 2016) Physical activity environment and disparities among South Carolina's children. Session presentation for Environmental Public Health Tracking Virtual Conference.
34. **De Santis EA, Heidari K, Lynes C.** (April 2016) Developing, implementing and using a Children's Health Assessment Survey in South Carolina. Workshop presented for Association of Maternal and Child Health Programs Annual Meeting, Washington, D.C.
35. **Smith M, Heidari K, Lynes C.** (February 2016) The South Carolina Children's Health Assessment Survey (CHAS). Webinar presented for National Association of Chronic Disease Directors: Science, Epidemiology, and Evaluation Committee meeting.

POSTER PRESENTATIONS

1. Fram M, Shapiro C, Hill-Chapman C, McNally S, Richard C. (January 2025) Childcare Technical Assistance: The Importance of Voluntary, Strengths- and Trust-Based Services for Improving Childcare Quality and Supporting the Childcare Workforce. Poster presentation to Society for Social Work and Research 29th Annual Conference, Seattle WA.
2. Richard CL, D'Amico LK, Harrison, T, Jones A, Kilburn J. (June 2024) Innovations in Kindergarten Transition: Teacher-Family Connections Prior to Kindergarten. Poster

presentation at the 2024 National Research Conference on Early Childhood Meeting, Arlington, VA.

3. D'Amico LK, Fan X, Jones A, Kilburn J, Richard C. (April 2024) Factors associated with kindergarten readiness in language and literacy, mathematical thinking, and social foundations: An HLM approach. Poster presented at 2024 American Educational Research Association, Philadelphia, PA.
4. Boswell E and Richard C. (January 2024) Home visiting is a health intervention that improves well-child visit compliance. Poster presented at 2024 National Home Visiting Summit, Washington, DC.
5. Boswell E and Richard C. (October 2023) Reach and Impact of Evidence-Based Home Visiting Programs Implemented by South Carolina First Steps' Local Partnerships, July 2017-June 2021. Poster presented at 6th Annual Live Healthy SC Meeting, Columbia, SC.
6. Yi F, Richard C, Avalos C, and Yang CH. (April 2023) The dose-response associations between physical activity and cognitive function in older Americans above 60 years old. Poster presented at Discover USC, Columbia, SC.
7. Yi, F, Richard C, and Yang CH. (April 2023) The association between physical activity and cognitive function among older Americans - Findings from merging multi-source NHANES data between 2011 and 2014. Poster presented at USC Big Data Health Science Conference, Columbia, SC.
8. Boswell E and Richard CL. (April 2023) Reach and Impact of Evidence-Based Home Visiting Programs Implemented by South Carolina First Steps' Local Partnerships, July 2017-June 2021. Poster presented at James E. Clyburn Health Equity Lecture, Discover USC, Columbia, SC.
9. Boswell E and Richard CL. (April 2023) Reach and Impact of Evidence-Based Home Visiting Programs Implemented by South Carolina First Steps' Local Partnerships, July 2017-June 2021. Poster presented at Discover USC, Columbia, SC.
10. Richard CL and Guimaraes L. (February 2023) Connected Families: an innovative approach to addressing parenting skills and mental health for families involved with the child welfare system. Poster presented at Nurturing Developing Minds 2023 Annual Conference, Greenville, SC.

11. Jones AC and Richard CL. (February 2023) Free high-quality preschool creates pathways to prosperity: two-generation benefits in South Carolina's First Steps 4K program. Poster presented at Nurturing Developing Minds 2023 Annual Conference, Greenville, SC.
12. Richard CL, Beebe G, Rock D. (October 2021) Family voice matters: feedback for the future. Poster presented at the Parents as Teachers National Conference 2021, Baltimore, MD.
13. Samkari M and Richard CL. (May 2021) Disparities in preconception health indicators among reproductive-aged women in South Carolina – Behavioral Risk Factor Surveillance System (BRFSS), 2012-2015, and Pregnancy Risk Assessment Monitoring System (PRAMS), 2012-2015. Poster presented at the Association of Maternal and Child Health Programs Virtual Annual Conference.
14. Richard CL and McDermott S. (April 2021) Maternal longstanding physical disability and increased risk for small for gestational age infants: is prescription opioid use on the causal pathway?. iPoster presented at Discover UofSC 2021. *Winner, Maternal and Child Health Abstract Contest and Winner, Graduate Student Poster Award.*
15. Elmore AL, Omofuma OO, Sevoyan M, Richard CL, Liu J. (April 2021) Prescription opioid use and use of medications for opioid use disorder among women of reproductive age in the United States: NHANES, 2003-2018. iPoster presented at Discover UofSC 2021. *Winner, Maternal and Child Health Abstract Contest.*
16. Richard CL. (October 2020) The prevalence of women with disabilities is higher in those with opioid prescriptions during pregnancy among South Carolina Medicaid beneficiaries. Presented at American Public Health Association Annual Meeting (virtual meeting due to COVID-19 pandemic).
17. Karim S, Zhang Z, Richard CL, Lohman M, Liu J. (October 2020) Does prenatal physical activity modify the association between prenatal stress and postpartum depression?. Presented at American Public Health Association Annual Meeting (virtual meeting due to COVID-19 pandemic).
18. Richard CL and Khan S. (October 2020) Risk behaviors predictive of marijuana use among youth in South Carolina: A cross-sectional study. Presented at American Public Health Association Annual Meeting (virtual meeting due to COVID-19 pandemic).
19. Samkari M and Richard CL. (October 2020) Disparities in preconception health indicators among reproductive-aged women in South Carolina – BRFSS and PRAMS, 2012-2015.

Accepted for presentation at American Public Health Association Annual Meeting (virtual meeting due to COVID-19 pandemic).

20. Reid LA, Richard CL, Gardner J. (April 2020) Chronic conditions among adults with disability in South Carolina. Poster presented at New England Science Symposium, Boston, MA. Symposium cancelled in response to COVID-19 pandemic.
21. Richard CL and McDermott S. (November 2019) Is poor mental health a mediator of the association between disability and lifestyle behaviors among veterans in the US? A 2017 US BRFSS Analysis. Poster presented at American Public Health Association Annual Meeting, Philadelphia, PA.
22. Stevens D, Richard CL, Davis HT, Hunt K. (June 2019) Associations between pregnancy intention and maternal and offspring health: A 2012-2015 South Carolina PRAMS analysis. Poster presented at The Society for Epidemiologic Research Annual Meeting, Minneapolis, MN.
23. Stevens D, Richard CL, Davis HT, Hunt K. (June 2019) Associations between pregnancy intention and maternal and offspring health: A 2012-2015 South Carolina PRAMS analysis. Poster presented at The Society for Pediatric and Perinatal Epidemiologic Research Annual Meeting, Minneapolis, MN.
24. Liu J, Broadway A, Boghossian N, McLain A, Karim S, Richard CL. (June 2019) Leisure-time physical activity before and during pregnancy and preterm births in South Carolina, 2009-2015. Poster presented at The Society for Epidemiologic Research Annual Meeting, Minneapolis, MN.
25. Liu J, Broadway A, Boghossian N, McLain A, Karim S, Richard CL. (June 2019) Leisure-time physical activity before and during pregnancy and preterm births in South Carolina, 2009-2015. Poster presented at The Society for Pediatric and Perinatal Epidemiologic Research Annual Meeting, Minneapolis, MN.
26. Avalos C and Richard CL. (June 2019) Understanding diabetes rates among South Carolina's growing Hispanic population. Poster presented at the Council of State and Territorial Epidemiologists Annual Conference, Raleigh, NC.
27. Richard CL, AlHasan DM, Foo TA, Davis HT. (June 2019) HPV vaccination among adolescents and adults in South Carolina. Poster presented at the Council of State and Territorial Epidemiologists Annual Conference, Raleigh, NC.

28. Richard CL and Davis HT. (June 2019) Marijuana use and reasons for use in South Carolina: A 2017 Behavioral Risk Factor Surveillance System analysis. Poster presented at the Council of State and Territorial Epidemiologists Annual Conference, Raleigh, NC.
29. Shull E, Richard CL, Dowda M, Pate R. (May 2019) Parental perceptions of their children's physical activity. Poster presented at American College of Sports Medicine Annual Meeting, Orlando, FL.
30. Simpson KW, Davis HT, Richard CL. (May 2019) South Carolina (SC) prams sampling frame: the motivation and the change. Poster presented at American Association of Public Opinion Research, Toronto, ON, Canada.
31. Richard CL and Davis HT. (May 2019) Examining demographics of adults refusing questions related to adverse childhood experiences: a 2014-2016 Behavioral Risk Factor Surveillance System Analysis. Poster presented at American Association of Public Opinion Research, Toronto, ON, Canada. *Finalist, Student Poster Award.*
32. Lin S, Richard CL, Merchant AT. (April 2019) Disparities in oral health seeking behavior among childbearing-aged women. Poster presented at Discover UofSC, Columbia, SC.
33. Shull E, Richard CL, Dowda M, Pate R. (April 2019) parental perceptions of their children's physical activity. Poster presented at Discover UofSC, Columbia, SC.
34. Avalos C, Richard CL, Twum-Danso Y, Carter N, Flemming NC, Jones MD, Hutson R, Henry T, Scott KL, Speaks C, Izar MP, Toland A, Gray K. (April 2019) Veterans' mental health and substance use in South Carolina: A 2015-2017 BRFSS analysis. Poster presented at University of South Carolina's College of Nursing 2019 Research and Scholarship Day, Columbia, SC.
35. Avalos C and Richard CL. (April 2019) A parent's responsibility: how parents' health care access affects that of their children. Poster presented at Adolescent Health Initiative Annual Conference, Detroit, MI.
36. Avalos C and Richard CL. (April 2019) Prevalence of influenza vaccination among SC children and how it relates to parental demographic characteristics. Poster presented at 2019 BRFSS Training Workshop, Atlanta, GA.
37. Stansbury ML, Richard CL, Fritz S, Pellegrini C, Hutto B, Liu J, West D. (April 2019) Characterizing physical activity among individuals with mobility limitations and obesity: an

analysis of the 2013, 2015, and 2016 national BRFSS. Poster presented at 2019 BRFSS Training Workshop, Atlanta, GA.

38. Richard CL, Srivastav A, Stropolis M, Davis HT. (March 2019) Education mediates the effect of adverse childhood experiences on household food insecurity in South Carolina. Poster presented at the 2019 Nutrition Symposium, University of South Carolina, Columbia, SC.
39. Richard CL, Nitcheva D, Shealy K, Simpson KW. (March 2019) Predicting unintended pregnancy in South Carolina by county using data from the Pregnancy Risk Assessment Monitoring System and Vital Records. Poster presented at Association of Maternal and Child Health Programs, San Antonio, TX.
40. Avalos C and Richard CL. (February 2019) Racial and ethnic disparities in access to care among adults with depression in South Carolina. Poster presented at SC DHEC/UofSC Health Data Symposium, Columbia, SC.
41. Richard CL and Davis HT. (February 2019) The crossroads of poor mental health and substance use: comparing veterans and non-veterans in South Carolina. Poster presented at SC DHEC/USC Health Data Symposium, Columbia, SC.
42. Richard CL, Simpson KW, Davis HT. (February 2019) Characterizing postpartum depression in South Carolina: A 2012-2015 Pregnancy Risk Assessment Monitoring System analysis. Poster presented at SC DHEC/UofSC Health Data Symposium, Columbia, SC.
43. Larsen C, Richard CL, West D. (November 2018) Do dementia caregivers have worse health outcomes as compared to non-caregivers in a national sample?. Poster presented at The Gerontological Society of America 2018 Annual Meeting, Boston, MA.
44. Richard CL, Simpson KW, Davis HT, Karim S. (November 2018) Assessing awareness and perception of risk of Zika virus in South Carolina: a 2016 Pregnancy Risk Assessment Monitoring System analysis. Poster presented at American Public Health Association Annual Meeting, San Diego, CA.
45. Richard CL, Simpson KW, Davis HT. (September 2018) Smoking during pregnancy modifies the effect of 17P on subsequent preterm birth: a 2012-2015 Pregnancy Risk Assessment Monitoring System analysis. Poster presented at CityMatCH conference, Portland, OR.

46. Richard CL, Simpson KW, Davis HT. (September 2018) Smoking during pregnancy modifies the effect of 17P on subsequent preterm birth: a 2012-2015 Pregnancy Risk Assessment Monitoring System analysis. Poster presented at PRAMS National Meeting, Portland, OR.
47. Richard CL, Simpson KW, Davis HT. (June 2018) Recreational fish consumption during pregnancy in South Carolina: A 2010-2012 Pregnancy Risk Assessment Monitoring System analysis. Poster presented at Council of State and Territorial Epidemiologists Annual Conference, West Palm Beach, FL.
48. Simpson KW, Davis HT, Richard CL. (May 2018) Gift card incentive/ reward influence on response rate for South Carolina PRAMS. Poster presented at American Association of Public Opinion Research Annual Conference, Denver, CO.
49. Richard CL, Stropolis M, Davis HT. (April 2018) Adverse childhood experiences and food insecurity in South Carolina. Poster presented at 2018 BRFSS Training Workshop, Atlanta, GA.
50. Richard CL, Simpson KW, Davis HT. (March 2018) Assessing awareness and perception of risk of Zika virus in South Carolina: a 2016 Pregnancy Risk Assessment Monitoring System analysis. Poster presented at 2018 National Birth Defects Prevention Network Annual Meeting, Atlanta, GA.
51. Lynes C and Davis HT. (February 2018) Examining demographics of adults refusing questions related to adverse childhood experiences: a 2014-2016 Behavioral Risk Factor Surveillance System analysis. Poster presented at South Carolina Public Health Association Annual Meeting, Myrtle Beach, SC.
52. AlHasan DM, Lynes C, Miller M, Sulkowski B, Davis HT. (November 2017) Differences between dementia, cancer, and other caregivers in South Carolina. Poster presented at the Carolina Women's Health Research Forum, Columbia, SC.
53. Davis HT and Lynes C. (November 2017) Associations between experiencing negative physical and emotional symptoms due to race, and both self-identified and perceived race/ethnicity in South Carolina women. Poster presented at the Carolina Women's Health Research Forum, Columbia, SC.
54. Clugstone S, Lynes C, Hurley D, Nitcheva D, Davis HT. (November 2017) Screening recommendation and breast cancer incidence in South Carolina: A BRFSS and cancer registry analysis. Poster presented at the Carolina Women's Health Research Forum, Columbia, SC.

55. Lynes C, Sulkowski B, Davis HT. (October 2017) Cognitive decline in South Carolina's adults: Is it associated with rurality?. Poster presented at the South Carolina 2017 Rural Health Conference, Greenville, SC.
56. Broadway A, Atkins J, Lynes C, Barton B, Davis HT, Hill R. (September 2017) Does maintaining a patient-physician relationship result in improved outcomes of diabetic retinopathy in South Carolina?: A 2013-2015 BRFSS Analysis. Poster presented at the American College of Epidemiology Meeting, New Orleans, LA.
57. Lynes C, Simpson KW, Davis HT. (September 2017) Fish consumption in South Carolina women of childbearing age. Poster presented at the American College of Epidemiology Meeting, New Orleans, LA.
58. Lynes C, Strompolis M, Davis HT. (June 2017) Adverse childhood experiences and food insecurity in South Carolina. Poster presented at the Council of State and Territorial Epidemiologists Annual Conference, Boise, ID.
59. Lynes C and Davis HT. (June 2017) Characterizing recreational fish consumption in South Carolina. Poster presented at the Council of State and Territorial Epidemiologists Annual Conference, Boise, ID.
60. Lynes C, Simpson KW, Smith M, Nitcheva D, Davis HT. (May 2017) Barriers to birth control in South Carolina: a 2011 PRAMS and BRFSS analysis. Poster presented at South Carolina Public Health Association Annual Meeting, North Charleston, SC.
61. Bevel MS, Lynes C, Davis HT. (May 2017) Inadequate sleep and chronic diseases among non-Hispanic blacks in South Carolina: a multi-year BRFSS analysis. Poster presented at South Carolina Public Health Association Annual Meeting, North Charleston, SC.
62. Lynes C, Simpson KW, Nitcheva D, Davis HT. (April 2017) Partner-related stress during pregnancy in South Carolina: a 2012-2013 PRAMS Analysis. Poster presented at 10th annual James E. Clyburn Health Disparities Lecture, Columbia, SC.
63. Broadway A, Lynes C, Barton B, Thomas T, Baylis Atkin J, Hill R, Davis HT. (April 2017) Diabetes education and disparities among four public health regions in South Carolina: a 2011-2015 BRFSS analysis. Poster presented at 10th annual James E. Clyburn Health Disparities Lecture, Columbia, SC.

64. Bevel MS, Lynes C, Davis HT. (April 2017) Inadequate sleep and asthma among African Americans in Public Health Regions of South Carolina: a multi-year BRFSS analysis. Poster presented at 10th annual James E. Clyburn Health Disparities Lecture, Columbia, SC.
65. Lynes C, Simpson KW, Featherstone P, Smith M, Davis HT. (March 2017) Stress and oral health care utilization: a 2013 PRAMS analysis. Poster presented at Association of Maternal and Child Health Programs Annual Meeting, Kansas City, MO.
66. Schneider LR, Lynes C, Simpson KW. (November 2016) Physical activity among South Carolinian mothers and its association with gestational weight gain. Poster presented at Carolina Women's Health Research Forum, Columbia, SC.
67. Lynes C, Simpson KW, Featherstone P, Smith M, Davis HT. (November 2016) Stress and oral health care utilization: a 2013 PRAMS analysis. Poster presented at Carolina Women's Health Research Forum, Columbia, SC.
68. Lynes C and Davis HT. (November 2016) Coronary heart disease in South Carolina women: does fish consumption matter? Poster presented at Carolina Women's Health Research Forum, Columbia, SC.
69. Lynes C and Boghossian N. (November 2016) Interpregnancy weight change and adverse maternal outcomes. Poster presented at Carolina Women's Health Research Forum, Columbia, SC. *Winner, Best Clinical Science Poster.*
70. AlHasan D, Breneman C, Callahan-Myrick K, Lynes C. (October 2016) Factors that influence parental misperception of child's weight status in South Carolina. Poster presented at American Public Health Association Annual Meeting, Denver, CO.
71. Davis HT, Lynes C, Sutton SR. (October 2016) A spatial analysis of elevated blood lead levels in South Carolina children, 2010-2014. Poster presented at American Public Health Association Annual Meeting, Denver, CO.
72. Bevel MS and Lynes C. (September 2016) Assessing diabetes status among veterans in South Carolina. Poster presented at 22nd annual Diabetes Fall Symposium for Primary Health Care Professionals, North Charleston, SC.
73. Ma X and Lynes C. (September 2016) The association between healthcare coverage and diabetic management among diabetic population: information from Behavioral Risk Factor Surveillance System (BRFSS) 2011 – 2014. Poster presented at 22nd annual Diabetes Fall Symposium for Primary Health Care Professionals, North Charleston, SC.

74. Lynes C and Davis HT. (June 2016) Carbon monoxide detector presence among reproductive aged women in South Carolina: A 2011 BRFSS survey analysis. Poster presented at the Council of State and Territorial Epidemiologists Annual Conference, Anchorage, AK. Finalist, Best Poster Award.
75. Atkins J, Barton B, Lynes C, Breneman C, Fogner A, Coaxum R, Small S, Heidari K. (April 2016) Trends in health disparity priority areas in South Carolina. Poster presented at 9th annual James E. Clyburn Health Disparities Lecture, Columbia, SC.
76. Davis HT and Lynes C. (April 2016) Disparities in percent of elevated blood lead levels (EBLLs) by United States (US) Census block group in children of South Carolina (SC): 2010-2014. Poster presented at 9th annual James E. Clyburn Health Disparities Lecture, Columbia, SC.
77. Lynes C. (February 2016) Diabetes in South Carolina: identifying individuals who are non-compliant to self-care practices. Poster presented at South Carolina Public Health Association Annual Meeting, North Charleston, SC.
78. Ochonma C and Lynes C. (February 2016) Health care plan and the Healthy People 2020 goals in South Carolina. Poster presented at South Carolina Public Health Association Annual Meeting, North Charleston, SC.
79. Davis HT, Lynes C, Balte P, Sutton SR. (November 2015) Fish Consumption and chronic diseases: South Carolina BRFSS 2011-12 survey analysis. Poster presented at American Public Health Association Annual Meeting, Chicago, IL.
80. Lynes C and Schneider LR. (October 2015) Using BRFSS data to assess breast and cervical cancer screening at various geographic levels in South Carolina. Poster presented at Carolina Women's Health Research Forum, Columbia, SC.
81. Barton B, Lynes C, Heidari K. (September 2015) Burden of prediabetes in South Carolina. Poster presented at Diabetes Fall Symposium for Primary Health Care Professionals, North Charleston, SC.
82. Lynes C, Phillips JM, Sloan D, Berger AM. (August 2014) An evaluation of the bereavement program at the NIH Clinical Center. Poster presented at National Institutes of Health Summer Poster Day, Bethesda, MD.

INVITED LECTURES AND PANELS

1. Richard CL and Haddock M. (March 2026) AI for Funders and Nonprofits. Presentation at Philanthropy Southeast's Virtual Town Hall.
2. Johnson E and Richard CL. (February 2026) AI for Nonprofit CEOs: Catalyzing Impact. Presentation at TogetherSC's CEO Roundtable, Columbia, SC.
3. Richard CL. (November 2025) Data Visualization 101: Taking Graphs From Good to Great. Lecture presented in Dr. Nabil Natafqi's "Managerial Epidemiology" class at University of South Carolina, Columbia, SC.
4. Richard CL. (April 2025) Career Roundtable Panelist. Maternal and Child Health Leadership, Education, and Advancement in Undergraduate Pathways Program (MCH LEAP) Spring Summit. University of South Carolina, Columbia, SC.
5. McDonald M, Dudek E, Richard CL. (September 2024) Child Care Outlook. Presentation at BMW Stakeholder Day, Plant Spartanburg, SC.
6. Richard CL. (April 2024) Panelist in Drs. Melinda Merrell and Peiyin Hung's "Maternal and Child Health Program Planning and Evaluation" class at University of South Carolina, Columbia, SC.
7. Richard CL. (March 2024) MCH Community Leader Panelist at Maternal and Child Health Student Association's Special Event featuring Dr. Monica McLemore, Columbia, SC.
8. Richard CL. (March 2024) Integrating Early Childhood Data in South Carolina. Presentation at Statewide Longitudinal Data Systems national webinar, "Partnering for Success: Key Elements of Effective ECIDS Data Governance".
9. Richard CL. (November 2023) Data Visualization Principles and Taking Visualizations From Good to Great. Lecture presented in Dr. Nabil Natafqi's "Managerial Epidemiology" class at University of South Carolina, Columbia, SC.
10. Richard CL. (November 2022) Panelist at Maternal and Child Health Leadership, Education, and Advancement of Undergraduate Pathways Program Career Panel and Seminar. University of South Carolina, Columbia, SC.
11. Richard CL. (November 2022) Panelist at Epidemiology Career Panel. American Public Health Association Annual Meeting, Boston, MA.

12. Richard CL. (March 2022) Strategic planning & data storytelling in state government. Asynchronous lecture presented in Dr. Alicia Dahl's "Community Health Planning and Evaluation" class at University of North Carolina Charlotte, Charlotte, NC.
13. Richard CL. (November 2021) Panelist at A Community Forum: Mathematical Thinking and Expression and Strengthening Kindergarten Readiness. South Carolina Council of Teachers of Mathematics 2021 Conference, Columbia, SC.
14. Richard CL. (October 2021) My MCH Leadership Story in South Carolina State Government. Presented to the Maternal and Child Health Student Association at University of South Carolina, Columbia, SC.
15. Richard CL. (Fall 2021). Epidemiology 101. Asynchronous lecture presented in Dr. Aditi Srivastav's "Community Health Problems" class at University of South Carolina, Columbia, SC.
16. Richard CL. (March 2021) Taking graphs from good to great. Lecture presented in Dr. Alicia Dahl's "Health Education and Promotion" class at University of North Carolina Charlotte, Charlotte, NC. Virtual classroom in response to COVID-19 pandemic.
17. Richard CL. (March 2021) Using population-level surveillance data to inform public health programs. Lecture presented in Dr. Alicia Dahl's "Community Health Planning and Evaluation" class at University of North Carolina Charlotte, Charlotte, NC. Virtual classroom in response to COVID-19 pandemic.
18. Richard CL. (August 2020) Veteran Teaching Assistant Panel. Presented as part of Teaching Assistant Orientation hosted by the Center for Teaching Excellence. University of South Carolina, Columbia, SC. Virtual in response to COVID-19 pandemic.
19. Richard CL. (March 2020) Using population-level surveillance data to inform public health programs. Lecture presented in Dr. Alicia Dahl's "Community Health Planning and Evaluation" class at University of North Carolina Charlotte, Charlotte, NC. Virtual classroom in response to COVID-19 pandemic.
20. Richard CL. (December 2019) Marijuana Use in South Carolina. Presented to agency leadership at the South Carolina Department of Alcohol and Other Drug Abuse Services, Columbia, SC.

21. Richard CL. (December 2019) “You study skin, right?”: Pursuing a Career in Epidemiology from Graduate Training to Beyond. Lecture presented in Dr. Vida Mingo’s “Public Health and Epidemiology” class at Columbia College, Columbia, SC.
22. Richard CL. (November 2019) Effect of Maternal Disability Status and Prescription Opioid Use Before and During Pregnancy on Small-for-Gestational Age Infants. Presidential Fellows Seminar (GRAD 801). University of South Carolina, Columbia, SC.
23. Richard CL. (November 2019) Strategic Impact at South Carolina First Steps. South Carolina State Data Team. Hosted by Children’s Trust of South Carolina, Columbia, SC.
24. Richard CL. (September 2019) Graduate Student Panel. Hosted by the Public Health Society. University of South Carolina, Columbia, SC.
25. Richard CL. (April 2019) “You study skin, right?”: Pursuing a Career in Epidemiology from Graduate Training to Beyond. Lecture presented in Dr. Matthew Lohman’s “Intermediate Epidemiologic Methods” class at University of South Carolina, Columbia, SC.
26. Richard CL. (March 2019) Using population-level surveillance data to inform public health programs. Lecture presented in Dr. Alicia Dahl’s “Community Health Planning and Evaluation” class at University of North Carolina Charlotte, Charlotte, NC.
27. Richard CL. (February 2019) Introduction to Mediation. Lecture presented in Dr. Matthew Lohman’s “Intermediate Epidemiologic Methods” class at University of South Carolina, Columbia, SC.
28. Richard CL. (November 2018) “You study skin, right?”: Pursuing a Career in Epidemiology from Graduate Training to Beyond. Lecture presented in Dr. Vida Mingo’s “Public Health and Epidemiology” class at Columbia College, Columbia, SC.
29. Richard CL. (November 2018) National Institutes of Health Summer Internship Program Information Session. Hosted by Delta Omega Public Health Honor Society, University of South Carolina, Columbia, SC.
30. Richard CL. (November 2018) 17P Effectiveness on Recurring Preterm Birth. SC PRAMS Quarterly Data Use Webinars.
31. Richard CL. (October 2018) Graduate Student Panel. Hosted by Public Health Society. University of South Carolina, Columbia, SC.

32. Richard CL. (August 2018) Veteran Teaching Assistant Panel. Presented as part of Teaching Assistant Orientation hosted by the Center for Teaching Excellence. University of South Carolina, Columbia, SC.
33. Richard CL. (April 2018) South Carolina's Behavioral Risk Factor Surveillance System and Children's Health Assessment Survey. Lecture presented in Susan Bolick's Public Health Surveillance Systems (EPID 730) class, University of South Carolina, Columbia, SC.
34. Lynes C. (February 2018) Life after graduate school: my experience. Presented in a "What's Next?" seminar hosted by the Arnold School of Public Health's Dean Student Advisory Council. University of South Carolina, Columbia, SC.
35. Lynes C. (January 2018) Veteran Teaching Assistant Panel. Presented as part of Teaching Assistant Orientation hosted by the Center for Teaching Excellence. University of South Carolina, Columbia, SC.
36. Lynes C. (November 2017) SC BRFSS, CHAS, and PRAMS and policy implications and change. Lecture presented in Dr. Kellee White's Epidemiology, Public Policy, and Public Health Practice (EPID 794) class, University of South Carolina, Columbia, SC.
37. Lynes C. (September 2017) SC BRFSS, CHAS, and PRAMS. Lecture presented in Dr. Karen Kemper's Doctoral seminar in Applied Health Research and Evaluation (HLTH 8890) class, Clemson University, Greenville, SC.
38. Lynes C. (April 2017) South Carolina's Behavioral Risk Factor Surveillance System and Children's Health Assessment Survey. Lecture presented in Susan Bolick's Public Health Surveillance Systems (EPID 730) class, University of South Carolina, Columbia, SC.
39. Lynes C. (March 2017) DHEC's role in identifying health disparities through data. Lecture presented in Adrienne Dues's Introductory Sociology (SOCY 101) class, University of South Carolina, Columbia, SC.
40. Lynes C and Davis HT. (May 2016) Environmental Epidemiology Activities within the Division of Surveillance. Lecture presented in Dr. Jim Burch's Environmental Factors and Human Health (EPID 747) class, University of South Carolina, Columbia, SC.
41. Lynes C. (April 2016) Graduate Studies of Epidemiology. Lecture presented in Dr. Vida Mingo's "Public Health and Epidemiology" class at Columbia College, Columbia, SC.

42. Lynes C. (April 2015) Graduate Studies of Epidemiology. Lecture presented in Dr. Vida Mingo's "Public Health and Epidemiology" class at Columbia College, Columbia, SC.
43. Lynes C. (August 2014) Veteran Teaching Assistant Panel. Presented as part of Teaching Assistant Orientation hosted by the Center for Teaching Excellence. University of South Carolina, Columbia, SC.

PROFESSIONAL AND VOLUNTEER SERVICE

Leadership

Richland Library Board of Trustees

Executive Director Search Committee Member (2024 – 2025)

Financial Health Committee Member (2024 – Present)

Member (2022 – Present)

Maternal and Child Health Journal

Editorial Board Member (2022 – Present)

South Carolina Maternal Health Task Force

Data Collection, Analysis, and Distribution Workgroup Co-Facilitator (2025)

South Carolina State Health Improvement Plan

Education Priority Co-Chair (2024 – 2025)

American College of Epidemiology

Associate Member Liaison to Membership Committee (2020 – 2021)

Mu Chapter of Delta Omega Honor Society

President (2019 – 2020)

President-Elect (2018 – 2019)

First current student to hold either of these positions

University of South Carolina Presidential Fellows Advisory Council

Designated 2017 Cohort Representative (2019 – 2020)

At Large 2017 Cohort Representative (2018 – 2019)

University of South Carolina Graduate Student Association (GSA)

Secretary of GSA Affairs (2018 – 2019)

Arnold School of Public Health Dean's Student Advisory Council

Delta Omega Public Health Honor Society: Mu Chapter Liaison (2018 – 2019)
MSPH, Epidemiology Student Representative (2014 – 2015)

American Public Health Association Student Assembly
Membership Ambassador (2013 – 2015)

Mentorship

Key: *Digital/remote mentee

Integrated Learning Experience Preceptor
Emma Boswell (MPH, Epidemiology, University of South Carolina; Spring 2023)

Applied Practicum Experience Preceptor
Emma Boswell (MPH, Epidemiology, University of South Carolina; Spring 2023)

Second Reader on Undergraduate Honors Thesis
Taylor Olson (BS, Exercise Science, University of South Carolina; Spring 2022)

Mentees from American Public Health Association Maternal and Child Health Mentorship Program

*Jamillah Millner (2021 – 2022)

*Izzy Taylor (2021 – 2022)

Interns at South Carolina First Steps
Kristen Kauffman (BA, Public Health, Minors in Education and Political Science, University of South Carolina; Spring 2020)
*Onono Jimmy Ongwech (BA, Management, Concentration in Public Administration, Southern New Hampshire University; Fall 2019)

Practicum Students at the SC Department of Health and Environmental Control
Lauren Reid (PhD, Epidemiology, University of South Carolina; Spring 2019)
Sabrina Karim (MPH, Epidemiology, University of South Carolina; Spring 2017)
Xiaonan Ma (PhD, Epidemiology, University of South Carolina; Fall 2016)
Lara Schneider (PhD, Epidemiology, University of South Carolina; Fall 2016)

Graduate Assistants at the SC Department of Health and Environmental Control
Carlos Avalos (2018 – 2019)
Dana AlHasan (2017 – 2018)
Andrew Broadway (2017)
Malcolm Bevel (2016 – 2017)
Christian Ochonma (2015 – 2016)

Interns at the SC Department of Health and Environmental Control

*May Samkari (2018 – 2019)

Iffat Nahar (2017 – 2019)

Poster Reviewer

Discover USC (University of South Carolina), Undergraduate Research Posters (2018 – 2019)

Abstract Reviewer

American Evaluation Association (2024)

Administration for Children and Families' National Research Conference on Early Childhood (2024)

Discover UofSC Maternal and Child Health Abstract Contest (2021)

American Public Health Association Annual Meeting (2016 – 2024)

Mu Chapter of Delta Omega Poster Contest (2019 – 2020)

Council of State and Territorial Epidemiologists Annual Conference (2017 – 2019)

Annual DHEC Health Data Symposium (2017)

Manuscript Reviewer
